16.3 Recipient shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, and shall disclose the Confidential Information only to the employees or contractors of Recipient who have a need to know the Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than Recipient's duty under this Section 16. 20.1 This Agreement constitutes the entire agreement between the Parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations, and understandings between them, whether written or oral, relating to its subject matter. Each Party acknowledges that in entering into this Agreement it does not rely on, and shall have no remedies in respect of, any statement, representation, assurance, or warranty (whether made innocently or negligently) that is not set out in this Agreement. Each Party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in this Agreement.

- 21.5 If any provision of this Agreement is found to be illegal, unenforceable, or invalid the provision shall, to the extent required, be severed from this Agreement and the remaining parts of this Agreement shall remain in full force and effect.
- 21.6 The waiver by either Party of any breach of any provision of this Agreement does not waive any other breach. The failure of any party to insist on strict performance of any covenant or obligation in accordance with this Agreement shall not be a waiver of such Party's right to demand strict compliance in the future, nor shall the same be construed as a novation of this Agreement.
- 21.7 Garrison shall be and act as an independent contractor (and not as the agent or representative of Customer) in the performance of this Agreement.

- 21.9 This Agreement may be amended only by a written document signed by both Parties. The standard terms of any purchase order, receipt, or confirmation of acceptance or similar document submitted by Customer to Garrison shall have no effect.
- 21.10 This Agreement may be executed in two or more counterparts, each of which is deemed to be an original, but all of which constitute the same agreement.
- 21.11 This Agreement is made for the benefit of the Parties and is not intended to benefit any third party or to be enforceable by any third party. The rights of the parties to terminate, rescind, or agree any amendment, waiver, variation, or settlement under or relating to this Agreement are not subject to the consent of any third party.
